

2025 Season Sponsorship Proposal

On behalf of XXXX Club, we extend our gratitude for considering our sponsorship proposal. Your support is instrumental in nurturing the growth and development of over 220 young boys & girls participating in our Junior Rugby League Football Club.

About us: XXXX Club serves as a vital hub for our local community, fostering a love for rugby league among children aged under 6s to under 16s, including girls league tag. Beyond the field, we are committed to empowering our players through representative football, refereeing, coaching, and building strong bonds within our community.

Project name: 2025 Season Sponsorship Proposal

Funding request: We wish to request sponsorship in the amount of \$XXXX for the 2025 season.

Detailed outline on what funding will be used for: If sponsorship is approved, it will allow our club to put funding towards expenses such as:

- Purchase training polos that our players can wear
- Purchase high-quality safety gear and training equipment that is essential for performance and injury prevention, such as tackling pads, balls, DH & FR bibs

Potential beneficiaries: Our club consists of approximately 220 players and is growing. We provide the opportunity to play Rugby League to children, both boys and girls, from the age of 5 to 16. If funding is approved it will be put towards support and providing equipment for our players.

How will this funding make a difference: This funding would make a crucial difference to our club and its players. We believe your sponsorship will have a lasting impact on the development of our young athletes, providing them opportunities to grow both on and off the field. By supporting our Junior Rugby League Club, Wests Entertainment Group is demonstrating a commitment to the community and promoting a healthy active lifestyle among young people. As our club draws from families that are generally low income earners, we try to seek as much sponsorship as we can to decrease fees where possible. This sponsorship would enable us to do so in a significant manner.
